

DOMESTIC EQUIPMENT SALES TO UNITED STATES: NDA and FCC COMPLIANCE TERMS AND CONDITIONS

1. **FCC COMPLIANCE.** For all Liberty Defense Technologies, Inc. ("Liberty Defense") supplied products. Buyer acknowledges that without prior Liberty Defense approval, Liberty Defense's equipment cannot be resold by the end-user.
 - a. Liberty Defense equipment shall only be repaired or serviced by designated authorized service technicians who have been trained by Liberty Defense. Modification of Liberty Defense equipment by any party other than Liberty Defense or a Liberty Defense-authorized party under Federal Communications Commission ("FCC") regulations could void Buyer's authority to operate the equipment and risks the Buyer becoming responsible for the equipment's compliance with FCC regulations. For the duration of the entire life of the system, Buyer agrees to rapidly report any unauthorized technicians servicing any Liberty Defense equipment to Liberty Defense.
2. **CONFIDENTIAL INFORMATION.** Buyer acknowledges that all specifications, devices, drawings, documents, diagrams, videos, pictures, information, reports/logs and other materials (except as established to be in the public domain) furnished by Liberty Defense and identified as "Confidential" or "Proprietary Information" or similar, including (but not limited to) manuals provided by Liberty Defense ("Confidential Information"), contain valuable proprietary information or trade secrets developed at great expense by Liberty Defense.
 - a. Buyer agrees to hold in confidence all information deemed "Confidential Information" by Liberty Defense. Buyer agrees not to use, reproduce, distribute, or make available Confidential Information except to Buyer's employees (and agents who agree to these terms) who are only authorized to use it as part of their duties. Buyer agrees to report swiftly to Liberty Defense any unauthorized disclosure of any Confidential Information.
