October 23, 2001

The antenna is the same size as the Certified 5355/8A ProxPro (JQ6535Y) and the enclosure is identical. In production, the unit will be potted and the electronics board will be covered.

The electronics board for the ProxPro II is identical to the Certified 6005/8B ProxPoint, 5365/8E MiniProx, and 5395/8C ThinLine II.
