Front Side
(Separation distance of 0mm)

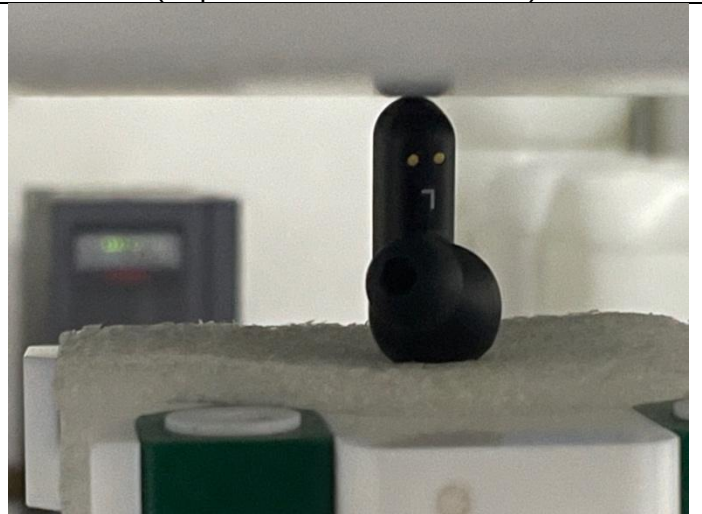

Back Side
(Separation distance of 0mm)

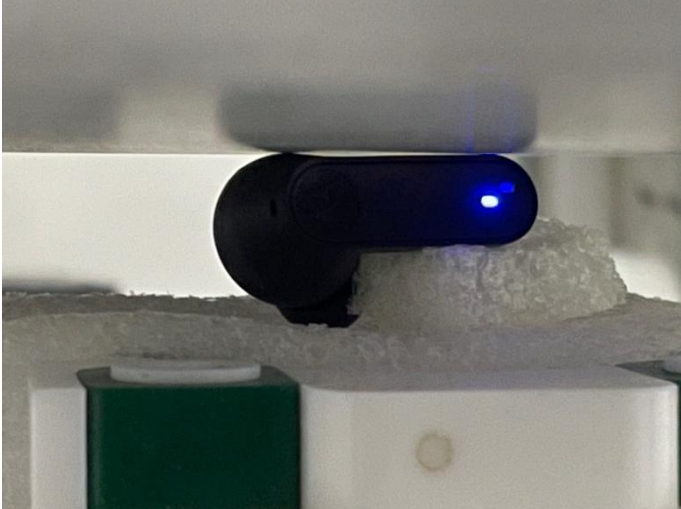

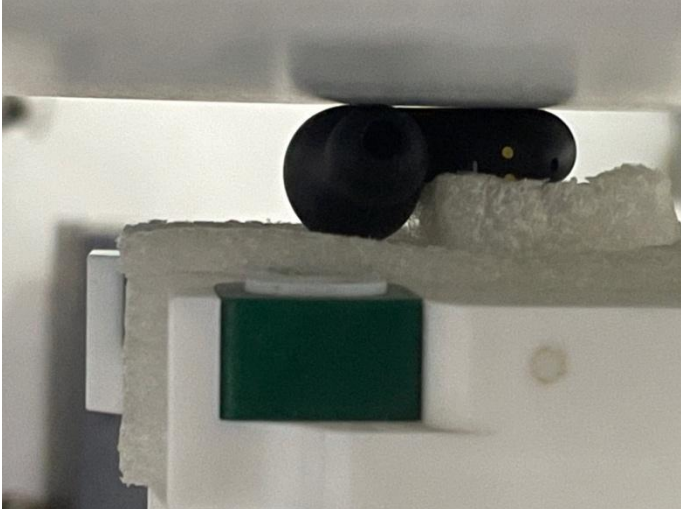

Top Side
(Separation distance of 0mm)

Bottom side
(Separation distance of 0mm)

Left side (Separation distance of 0mm)	Right side (Separation distance of 0mm)
 A close-up photograph of a black sensor assembly mounted on a white base. A bright blue LED light is illuminated on the side of the sensor. The assembly is positioned above a green rectangular component. The background is slightly blurred, showing a white surface.	 A close-up photograph of the same black sensor assembly from a different angle. A small yellow LED light is visible on the side of the sensor. The assembly is positioned above a green rectangular component. The background is slightly blurred, showing a white surface.
