

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT (End User Terminal) housing. The green printed circuit board (PCB) is visible, featuring a USB port at the bottom and various electronic components. The black plastic housing is shown next to it. A ruler is placed horizontally below the components for scale, with markings in millimeters and centimeters.
Solder Board-Component View 1	 A close-up photograph of the soldered components on the green PCB. The image shows the solder joints connecting the components to the board. A ruler is placed vertically to the left of the board for scale, with markings in millimeters and centimeters.

Solder Board-Component View 2	 A photograph showing a green solder mask on a blue textured background. A black ruler with white markings is placed vertically to the left of the component, showing measurements from 0 to 100 mm. The component is a small, rectangular, green solder mask with two small circular holes. The ruler is oriented vertically, with the 0 mark at the top and the 100 mark at the bottom.
Solder Board-Component View 3	 A photograph showing a silver-colored solder mask on a blue textured background. A black ruler with white markings is placed vertically to the left of the component, showing measurements from 0 to 100 mm. The component is a small, rectangular, silver-colored solder mask with a grid of small circular holes. The ruler is oriented vertically, with the 0 mark at the top and the 100 mark at the bottom.

Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, labeled 'Solder Board-Component View 4'. The component is rectangular and features a central integrated circuit (IC) with various markings, including '190718S0716 Layer : 0', '1303MD, 00M1243SUS.A2', 'B25/2+B4+B41', 'B12/17+B26/5+B71', and '2002'. It is positioned on a black surface with a white ruler for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a blue textured surface.
Solder Board-Component View 5	 A photograph of a small green printed circuit board (PCB) component, labeled 'Solder Board-Component View 5'. The component is rectangular and features a central integrated circuit (IC) with various markings, including '190718S0716 Layer : 0', '1303MD, 00M1243SUS.A2', 'B25/2+B4+B41', 'B12/17+B26/5+B71', and '2002'. It is positioned on a black surface with a white ruler for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The background is a blue textured surface.
