On January 9, 2017 the FCC issued the Grant of Certification for the Juniper Systems product CT5. The Juniper Systems FCC Grantee Code is VSF and the assigned FCC product code is CT5. Juniper Systems formally requests that the following documents be replaced with the updated versions provided, as allowed by FCC document "546630 D01 TCB Supersede Procedure v02":

- Confidentiality Request Letter
- Declaration Letter not use ch 12 and ch 13
- Declaration Letter of disable frequency bands
- Declaration Letter of label location
- Declaration Letter of software security requirements for u-nii devices
- Doc Attestation Letter

The contents of these documents are identical to the originals with the exception of the contact name/title, email, and signature at the bottom of each document. Juniper Systems has recently changed the primary Grantee Contact to Gary Spence, Chief Technology Officer. For reasons internal to Juniper Systems, we request these documents be updated, showing the new contact person along with his signature. These documents have been provided to the TCB within 30 days of issuing the Grant.

Thank you for your attention on this matter. Please contact me if you have questions.

Best Regards,

Gary Spence
Chief Technology Officer
Juniper Systems, Inc.
