EUT View 5	 A black electronic component, likely a connector or probe, is shown from a side profile. It features a flat, oval-shaped base and a conical protrusion with a rounded tip. The component is positioned on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's base spanning approximately 40 mm.
EUT View 6	 A black electronic component, similar to the one in View 5, is shown from a front-facing perspective. It has a flat, oval-shaped base and a conical protrusion with a split, pointed tip. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler indicates the component's base is about 40 mm wide.
