

COVER LETTER FOR THE LYNXRE-NSIA

To Whom It May Concern:

The LYNX Model LYNXR-ENSIA is physically and electrically identical to The LYNXR-EN Certified as: FCC ID: CFS8DLLYNXREN-4 / IC: 573F-LYNXREN4 We are requesting new FCC & IC ID Numbers to go along with the new Model Name: LYNXR-ENSIA. The LYNXR-ENSIA has Special software for the UL-SIA Listing. This is a special UL Listing that guarantees alarm faults meet certain conditions thereby reducing the number of false alarms sent by the system. This system will be sold in addition to the normal LYNXR-EN family for high security (Bank / Jewelry store) installations. Please also note that we are charged for IC Telco Label & therefore it only goes on units going to Canada.
