Quick Start Guide

MODEL: HK375-S
FCC ID: 2ARRH-HK375
IC 20553-HK375

Note: Fully charge before use. Any attempt to remove or replace your battery will void your headset.

2. Connect & go

3. Buttons operation

To...	Press
answer a call	Press and hold until you hear a tone.
reject a call	Press and hold until you hear a tone.
redial last call	Press and hold until you hear a tone.
mute or unmute	Press and hold the Volume button.
end a call	Press .

Note: Some features are phone/network dependent.

Note: Using a mobile device or accessory while driving may be subject to local or other laws. It may be illegal. Always use the laws and drive safely.

4. Connect to second device

Connect your headset with two devices at the same time. Before pairing the second device, turn off Bluetooth on the previously paired device and restart the headset. Now pair your second device following "Connect & go".

Once paired to the second device, your headset is ready to connect with either or both devices. Normal headset features work with both devices.

5. Additional start light

status light	headset
rapid red flashes	battery low
steady red	charging - low battery level
steady blue	charging - battery full

6. General information

Guide de démarrage rapide

MODEL: HK375-S
FCC ID: 2ARRH-HK375
IC 20553-HK375

1. En un coup d'o il

Remarque : charger compl t ment avant utilisation. Toute tentative de retirer ou de remplacer la pile endommagera votre cr d ble.

2. Connectez et allez-y

3. Fonctionnement des touches

Pour...	Appuyez sur
r�pondre � un appel	Appuyez sur et maintenez-le appuy� jusqu'� vous entendez un ton.
refuser un appel	Appuyez sur et maintenez-le appuy� jusqu'� vous entendez un ton.
redial last call	Appuyez sur et maintenez-le appuy� jusqu'� vous entendez un ton.
mute or unmute	Appuyez longuement sur la touche de volume.
end a call	Appuyez sur .

Remarque : certaines fonctions d pendent du t l phone ou du r seau.

Remarque : l'utilisation d'un dispositif ou accessoire portable en conduite peut  tre ill gale. Utilisez toujours les lois et soyez prudent au volant.

4. Connexion   un deuxi me appareil

Convertissez votre casque   deux appareils en m me temps. Avant de jumeler le deuxi me appareil, d sactivez la fonctionnalit  Bluetooth sur l'appareil pr c demment jumel  et red marrez le casque. Maintenant, associez votre deuxi me appareil, apr s l'activation "Connecter et aller-y".

Une fois jumel    l'autre appareil, votre casque est pr t   fonctionner avec les deux appareils, ou aux deux. Les fonctionnalit s habituelles du casque marchent avec les deux appareils.

5. Voyant lumineux suppl mentaire

voient actif	cr�d�ble
voient d�clatant rapidement	pile faible
rouge fixe	charge en cours - charge faible
bleu fixe	charge en cours - pile charge

6. G n ralit s

Si votre produit ne fonctionne pas correctement, lisez ce Guide de d marrage rapide ou contactez Motorola ou votre distributeur pour obtenir de l'aide.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference.

(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

(1) L'appareil ne doit pas produire de brouillage;

(2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
