

BATTERY DISPOSAL

Please do not attempt to change the battery yourself. If the battery has died, you should follow the disposal instructions listed here. Never dispose of used patteries/electronics with ordinary solid wastes. Always dispose of used batteries/electronics in accordance with the prevailing community regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning battery/electronics disposal, please dispose of the device in a waste bin for electronic devices. Many electronics retailers now recycle batteries and other electronic components at no charge.
