

# 1. Antenna Description

|              |                                                                                                             |
|--------------|-------------------------------------------------------------------------------------------------------------|
| Antenna type | Array coil Pointing antenna                                                                                 |
| Manufacture  | Hong Yuen Circuit Technology Co., Limited<br>The 4th Industrial Area of Nanzha,Humen,Dongguan,Guangdong,PRC |
| Model Name   | SEN-A546                                                                                                    |
| Frequency    | 667 kHz                                                                                                     |
