Board View 1****Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a small, irregularly shaped white PCB component with numerous circular solder pads. The component is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 100mm by 100mm. The component has a gold-colored rectangular tab at the bottom. Text on the component includes "SEK201 E307365" and "199819W001".
Solder Board-Component View 3	 A photograph of the same white PCB component from a different angle, showing various electronic components like a microcontroller, capacitors, and connectors. It is placed next to the same black L-shaped ruler. The component has a gold-colored rectangular tab at the bottom. Text on the component includes "SEK201 E307365" and "199819W001".

Solder
Board-Component
View 4

	 A top-down view of the Atlantis Mini Champion printed circuit board (PCB). The board is white with various electronic components, including a central camera lens, a USB port on the left, and several surface-mount components. Text on the board includes "Atlantis Mini Champion" and "SEIKI301 94V-0 E307365".
Antenna View	 A side view of the PCB showing the antenna component. A red box highlights the antenna, and a red line points to it from the label "Antenna". A ruler is placed next to the board for scale.
