

Declaration of Identity

We,

**Toshiba Europe GmbH
Hammfelddamm 8
41460 Neuss
Germany**

Declare that the following Toshiba products devices are technically identical:

**SD-BT00A
SD-BT00U
SD-BT00P**

Note: The differences among the devices above concern the surface design and colour, and different packages.
SD-BT00A, and 00U are Toshiba original products that will be sold in different regions, i. e. Japanese domestic, and overseas market.
SD-BT00P is a version that Toshiba produces for OEM (Original Equipment Manufacturer) customers which may vary as described above. Also the branding name for customers may be different!

Best regards,
