## Inserting SIM Card

SIM Card is an IC card containing phone number and other customer information.  
Always unmount SD Card beforehand.

**1**

Pull Tray out from handset

- Pull SIM Card/SD Card Slot Cover out straight using fingernail in groove.

2

Set SIM Card into Tray with IC chip facing up

- Check SIM Card orientation by notch.
- Make sure SIM Card is in Tray securely.

3

Holding handset held level, press Tray in straight

🚩 SIM Card is inserted.

- Check Tray orientation.
- Press firmly where circled ○, and make sure there is no gap between handset and SIM Card/SD Card Slot Cover.

## Handling SIM Card

For SIM Card handling, see following items.

### ① IC chip

For SIM Card handling, see Ymobile Website.

<https://www.ymobile.jp/support/product/usim/>

- Always keep the IC chip clean.
- Wipe clean with a dry, soft cloth.
- Avoid applying labels. May damage SIM Card.

## SIM Card Cautions

Observe the following when using SIM Card.

- Customer is responsible for any damage caused by inserting SIM Card in an other-brand IC card reader, etc. Ymobile Corp. is not responsible in such case.
- SIM Card is the property of Ymobile Corp.
- SIM is replaceable (at cost) in case of loss/damage.
- Return SIM Card to Ymobile Corp. when cancelling subscription.
- Returned SIM Cards are recycled for environmental purposes.
- Note that SIM Card specifications and performance may change without notice.
- It is recommended that you keep a separate copy of information that is stored on SIM

Card. Ymobile Corp. is not responsible for damages from stored information that is lost.

- Always follow emergency procedures to suspend service if your SIM Card or handset (SIM Card inserted) is lost/stolen. For details, contact [Customer Service](#).

## Powering On

1

Long Press Power Key until handset vibrates

Lock Screen appears.

- Startup wizard appears for the first time handset is powered on. Follow onscreen instructions.
- Battery level is not sufficient if low battery indicator appears when Power Key is Pressed with handset powered off. Charge Internal Battery.

# FCC ID

To view the regulatory compliance mark

- Find and tap **Settings** → **About Phone** → **Certificates**

Regulatory compliance mark such as FCC ID is displayed on the screen.
