ATTN.: Reviewing Engineer

FCC ID: VBNAHFII-01  
IC ID: 661W-AHFII  
HVIN(s)/Model(s): AHFII

We hereby request FCC C2PC Certification and IC C3PC Certification for the above mentioned HVIN(s)/Model(s).

The reason for this request is:

The change entails adding 5G-NR 40MHz channel bandwidth carriers to the radio with resulting new emission designators. The change is made through updated software. There are no changes to the hardware. Radio Testing was performed to show compliance.

Kind regards
