FCC ID: 2A7FY-IMPREVO  
Original Grant Date: December 16<sup>th</sup>, 2024

Dental Imaging Technologies Corporation is requesting the dismissal of the application/FCC ID listed above.

The following are the reasons behind our request:

1. Updating to a newer design (Update the wireless charging IC)
2. The New Design will be tested and certified in the future
3. Maintain original FCC ID: 2A7FY-IMPREVO

We declare that the equipment requested for authorization **HAS NOT BEEN** marketed or sold in the United States or sold in any other country, labeled with this FCC ID.

We have plans to produce this product in the future but in a different configuration. If possible, we would like to use the same FCC ID as was used in the original application.

Sincerely,

Signature
