Re: Change of Identification Authorization, FCC ID: [2ADHKBM83SM1]

To Whom It May Concern:

This letter grants authorization for representatives of [Zylux Acoustic Corporation] to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Microchip Technology Inc., Model: [BM83SM1], FCC ID: [2ADHKBM83SM1]. The original grant date is: 03/11/2019

We are aware that [Zylux Acoustic Corporation] intends to market the above referenced product under their own FCC ID: [XN6BM83SM1].

Microchip Technology Inc. will continue to sell their device under their existing FCC ID.

The Model with a change in ID is identical in design and construction with our original model. The original test results continue to be representative of and applicable to the module with a change in ID.

Sincerely,
