Re: Request of Confidentiality

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying as outlined below:

1. Schematics
2. Internal photos

(A special tool, which is not made available to the public, is necessary for inspecting the component inside of the equipment. Because the board is situated inside of the equipment and is sealed with resin.)

The technology and structure are completely new for the present model and another company will need about three years to achieve this technology and structure. But this technology can be easily found by seeing Internal Photos.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this Application.

Sincerely,

Kazunori Sawafuji
