IS INCLUDED**Quick Style Guide****Specs:**

Length: 100±0.50mm  
Width: 63±0.50mm  
Depth: 23±0.50mm  
Weight: 46g±3g  
DPI: 800-1000-1200  
Keys switch life: 5 Million times  
Scroll wheel life: 5 million times  
Working Frequency: 2.4G  
Working distance: 10m  
Battery: 1\*AA 1.5V  
Working current: 11±1mA  
Working voltage: 0.9 - 1.62V

**Key functions:**

1. Left key      3. Scroll Wheel  
2. Right key    4. DPI Button

2 in 1 Dongle allows for wider compatibility.  
Simply plug into a USB-A or USB-C port,  
no drivers needed

**Package include:**

(1) Wireless Mouse, (1) 2in1 Nano Receiver, (1) AA Battery,  
(1) User Manual

**Compatibility:**

Compatible with Mac and PC.

**FCC Statement**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a wireless power charger, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the product.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
