List of Differences for FCC ID: 2ASWB-S12

Update Location	Wireless module shield update
Old PCB of FCC ID: 2ASWB-S12	 A photograph of an old green printed circuit board (PCB) for a wireless module. The board is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The PCB has a silver shield covering a portion of the components. Text on the board includes "2ASWB-S12", "MS-6160C-E123996", and "20190121".
New PCB of FCC ID: 2ASWB-S12	 A photograph of a new green printed circuit board (PCB) for a wireless module. The board is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters. The PCB has a silver shield covering a portion of the components. Text on the board includes "2ASWB-S12", "MS-6160C-E123996", and "20190121".
