Columbia MD 21046

Product Equality Declaration

To Whom It May Concern:

We, Honeywell International Inc, declare on our sole responsibility that the products listed below

Basic or Main		Additional or Variance	
Model	CT50LFN	Model	CT50L0N
FCC /IC IDs	HD5-CT50LFN	FCC /IC IDs	HD5-CT50L0N
HW Version	DVT	HW Version	DVT
SW Version	418E	SW Version	418E

The only differences between model CT50LFN and the model CT50L0N are:

1. The WWAN radio module is only in the CT50LFN with PCB layout difference to accommodate the module. The BT, WLAN and NFC radios are the same in both.
2. The Software is the same in both models other than the telephone settings and applications to support WWAN communications in CT50LFN

If you have any questions, please contact the undersigned.

Best regards,

Cedric Brownfield
