Solder Board-Component View 1	 A photograph of a blue printed circuit board (PCB) with various electronic components soldered onto it. The board is irregularly shaped and is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters. The board features several integrated circuits, resistors, and other surface-mounted components.
Solder Board-Component View 2	 A photograph of the same blue PCB from a different angle, showing the underside. The board is placed on the same blue textured surface. A black ruler with white markings is positioned vertically to the left of the board. This view shows the solder joints and the reverse side of the components. Some text is visible on the board, including "WTC-1007X-000", "000/00", "A1233", and "10-000".
