

EMC Technologies Report Number: M050510_Cert_BT_WLL4070_11abg

APPENDIX B2 – Test Setup Photograph

APPENDIX B2 – Test Setup Photograph

Peak Output Power, Power Spectral Density, Bandwidth and Band Edge Test Setup

APPENDIX B2 – Test Setup Photograph

Test Setup Photos for FCC Part 15 Testing

Photos extracted from Report FG05-051EAL

Photo-1.1 Radiated emission measurement: 30-1000 MHz (Front)

• PC-2 and HUB were set at outside of the chamber.

Photo-1.2 Radiated emission measurement: 30-1000 MHz (Back)

Photo-1.3 Radiated emission measurement; 1-12 GHz (Front)

Photo-2 Conducted emission measurement

Photo-3 Label

The image shows a photograph of a label with a table. The table has two rows and two columns. The first row contains 'Model Name' and 'T4020'. The second row contains 'S/N' and 'Pre-production sample'. The background of the label is a light blue-grey color.

Model Name	T4020
S/N	Pre-production sample
