KH Park, I have reviewed this application and on May 9th sent the following request to Mr. Ki Soo Kim (he is always listed as the Technical Contact for the Hyundai applications):

Ki-Soo,

I have reviewed the above referenced application and find that the following item needs to be addressed before the review can be completed:

1. The block diagram exhibit shows this device with Bluetooth capability. Please clarify if this handset has Bluetooth capability.

Best regards,

Chris Harvey

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.

I am waiting for response so I can complete this application review.

Best regards,

Chris Harvey
