

Internal Photos of HS-26W

2005.8.3

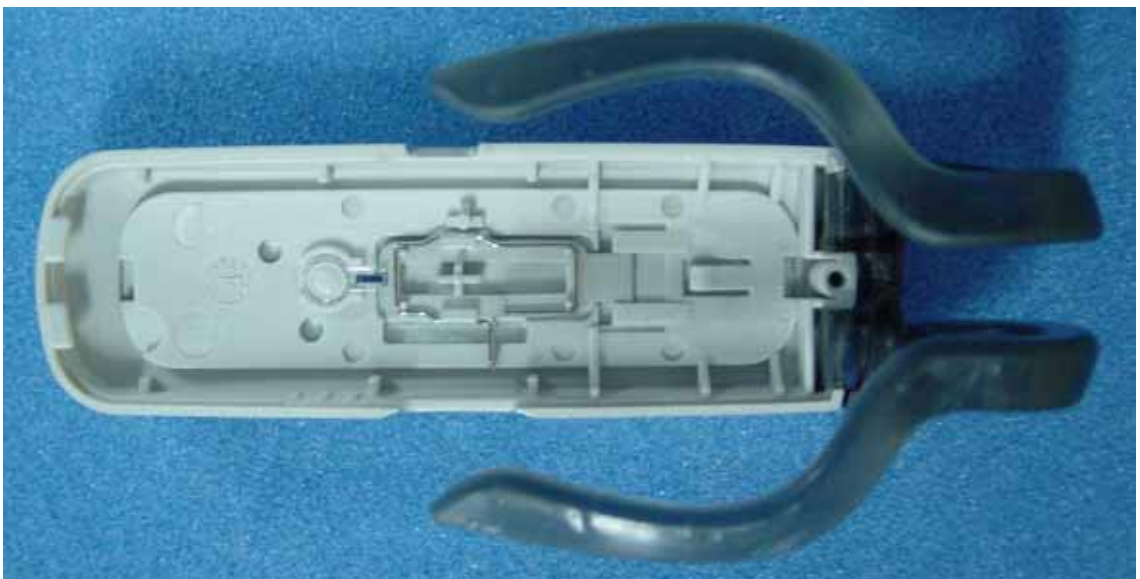

HOSIDEN Corporation

This document shows Internal photos of HS-26W.

<PCB and Battery>

<Back of upper case>

The image shows a green printed circuit board (PCB) for a mobile phone. Key components and labels include:

- Top Left:** HS-26W_B4_03 (Board identifier), SP1 (Speaker), C15 (Capacitor), XT (Crystal), C14 (Capacitor), and M1 (Microphone).
- Center:** A large black battery with the number '185' printed on it. To its right is a small square component labeled BPF1, and a larger square component labeled L7.
- Bottom Left:** A camera lens assembly with a gold-colored frame and a black lens.
- Bottom Center:** A small square component labeled R5, and a larger square component labeled R2.
- Bottom Right:** A large black component labeled HOSIDEN, which appears to be a camera lens or sensor assembly.
- Right Side:** A small square component labeled J1, and a larger square component labeled R10.
- Far Right:** A small square component labeled R11, and a larger square component labeled R12.
