FEDERAL COMMUNICATIONS COMMISSION
AUTHORIZATION AND EVALUATION DIVISION
7435 OAKLAND MILLS ROAD
COLUMBIA, MD 21046

SUBJECT: FCCID: **2ALJJPL5003**

TO WHOM IT MAY CONCERN:

We place the FCC label in the battery compartment due to the reasons below:

1. The FCC label is visible when the user opens the battery door and installs the battery. Otherwise, the device won't work.
2. The label placed on the exterior of the equipment affects the appearance according to design requirements. Otherwise, it would be easily removed or damaged.
3. The FCC label can be readily visible at the time of purchase because the battery and the cover are placed separately in the packing box.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mauricio Velasco', written over a circular scribble.
