

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS**EUT Housing and
Board View 1****Solder
Board-Component
View 1**

	 A close-up photograph of a green printed circuit board (PCB) populated with various electronic components. The components are labeled with white text: resistors (R15, R70, R90, R36, R35, R51, R20, R38, R39, R9), capacitors (C11, C96, C88, C89, C47, C92, C91, C90, C93, C94, C95), an integrated circuit (IC1), a crystal oscillator (Y1), and a surface-mount device (S22). The text 'TWS' is printed on the board. A component labeled 'X24.000 MHZ05' is visible. The board is populated with numerous small surface-mount components.
Solder Board-Component View 2	 A photograph showing the solder side of the PCB, labeled 'View 2'. The board is placed on a blue textured surface. A black ruler with white markings is positioned vertically and horizontally to provide scale. The ruler markings are in millimeters (mm). The board shows the solder joints and the underside of the components. The text 'Solder Board-Component View 2' is printed on the left side of the image.

Solder Board-Component View 3	 A photograph of a blue cylindrical component with a black flexible cable attached, lying on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component. The component has text printed on it: "HY 18650 3.6V 2500mAh 94h 201212 013FE".
Solder Board-Component View 4	 A photograph of the same blue cylindrical component with a black flexible cable attached, lying on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component. The component has text printed on it: "HY 18650 3.6V 2500mAh 94h 201212 013FE".
