Declaration of Product Family Equality

To whom it may concern:

We, u-blox AG, hereby declare that the product versions described below are identical except for the differences listed below.

Product Marketing Name: NINA-B306, NINA-301, NINA-B302

- The printed wiring board have identical layer stack-up and dielectric properties
- Impedance controlled traces and other RF-related parts of the layout, except for the antenna configurations, are identical
- The differences between the product versions are:

Module variant	Chipset	Antenna configuration
NINA-B301	nRF52840	Antenna pin
NINA-B302	nRF52840	Integrated metal sheet PIFA antenna
NINA-B306	nRF52840	Integrated PCB trace antenna

Figure 1: Antenna configuration comparison - NINA-B302 to the left, NINA-B306 to the right

Thank you for your attention in this matter.

Yours Sincerely,

Filip Kruzela
Certification Manager, u-blox
