Re: Request for Class II permissive change

Applicant: ZyXEL Communications Corporation

FCC ID: I88NWD670SU

To whom it may concern,

Request is hereby submit by ZyXEL Communications Corporation for Class II permissive change, the reason of modification is Intertek Testing Service typed error for the output power value of UNII band in the Test Report (Report number: EME-061198). The update output power as attached.

Please help to update it to the grant.

Should you have any question, please don't hesitate to let me know.

Best regards.
