Dear Regulatory Authority,

Ref: FCC Class II Permissive change for FCC ID: S5EBHV4PLS8  
(Original Grant date: 08/24/2018)  
Applicant: Satellite Tracking of People LLC

Dear Examiner,

This is to request a Class II permissive change for FCC ID: S5EBHV4PLS8, originally granted on 08/24/2018. The major change filed under this application is to allow use of the WWAN cellular module in a host, specifically the BluHome which is certified under FCC ID: S5EBHV40318 with a new antenna that has a higher peak gain on the 1900MHz band. Radiated EIRP testing was retested to ensure the EUT still complies with the EIRP limit.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

Sincerely,
