2 A111-003 Label Declaration

The size of the A111-003, hereafter referred to as A111, package is 5.2 x 5.5 x 0.88 mm and thus FCC ID label not possible to be placed on the module.

Note that the A111 package includes A111 marking information and thus not possible to add FCC ID labelling information due to the small form factor. See figure 1.

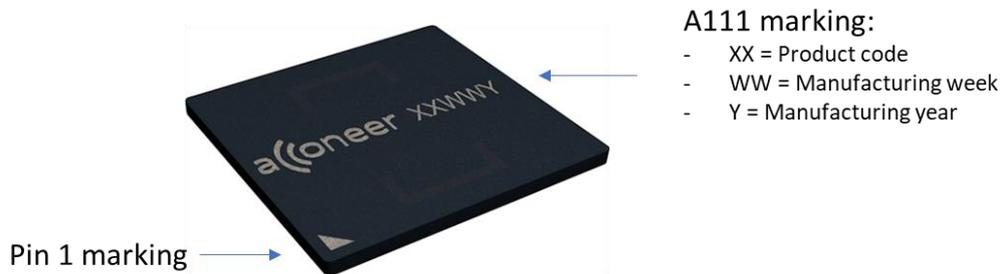

Figure 1, Acconeer A111 marking

FCC ID is placed in the User Manual (chapter 9), see separate document.

FCC ID is also placed on the device packaging, see following picture of the packaging artwork with correct markings:
