Request for withholding from public disclosure proprietary information submitted
Pursuant to an application for certification of a Cellular Handset Model FTD-8900

FCC ID : NPQFTD8900

Sir / Madam

Telian Corporation requests that certain materials submitted with this application for certification of the Cellular Handset Model FTD-8900 be withheld from public disclosure.

- Block diagrams : Confidential
- Circuit Diagrams : Confidential
- Tune up procedure and Parts List: Confidential
- Operation Description : Confidential

The item marked "Confidential" as above contain detailed Cellular Handset Model FTD-8900, submitted to the FCC for review with this application. The information contains proprietary information (Trade secrets) regarding the Circuit design detail and system architecture) which are the result of our extensive investment in research and development. Without the disclosed a workable competitive product. Therefore, we believe that disclosure of these company guarded materials would compromise our leading position in this market.

WE therefore formally request that materials marked "Confidential" be kept strictly confidential and not made available for inspection by any other party, except on a need to know basis for sole purpose of the certification process.

Sincerely yours.
