Dear Ms Green,

You will find this cover letter & copy of "5853 LABEL.pdf" uploaded to your site. "5853 LABEL.pdf" is a drawing of the back of the 5853 showing the position of the label, as well as the wording: " FCC ID: CFS8DL5853 This device complies with Part 15 of the FCC Rules. Operation is subject to the two following conditions: (1) this device may not cause harmful interference, and (2) must accept any interference received, including that which may cause undesired operation". The file '5853 LABEL.pdf' supersedes the original file 'LABEL.pdf'.
