

Attestation Letter

May 22, 2023

Reference: FCC ID: 2BAX3PRFPUREONE30

To whom it may concern:

This letter is confirmation of our request to apply for a C2PC for the LTE Wireless module, model LE910C10-SAX, approved under FCC ID: 2BAX3PRFPUREONE30.

This evaluation concerns the use of this radio module in SuperCom host, PureOne Electronic Monitoring Solution, model PureOne, FCC ID: 2BAX3PRFPUREONE3.

This letter is provided to state SuperCom LTD has not performed any modification and not changed any characteristics of radio module, including output power, frequency range and antenna.

This Class II Permissive Change addresses the exposure distance when the radio is housed in the SuperCom LTD host PureOne Electronic Monitoring Solution. Originally, the minimum exposure distance was 20 cm. The exposure distance now is considered for body-worn accessory exposure conditions (5 mm) as the module is used in body-worn device.

The Test Report No: FCC RF Exposure Evaluation Report_PureOne_ID6166_18052023 of Verkotan attached to this application.

Sincerely yours,

Boaz Polak
Laboratory Supervisor
SuperCom LTD
