Solder Board-Component View 5	 A microscopic photograph of a small, circular solder board component. The component is positioned next to a black millimeter ruler for scale. The ruler has white markings and numbers, with the horizontal scale at the bottom and the vertical scale on the left. The component is located at approximately 10 mm on the horizontal scale and 10 mm on the vertical scale. The component itself is a small, circular piece of metal with a central hole and some internal structure visible.
Solder Board-Component View 6	 A microscopic photograph of a small, circular solder board component, similar to the one in View 5. It is positioned next to a black millimeter ruler for scale. The ruler has white markings and numbers, with the horizontal scale at the bottom and the vertical scale on the left. The component is located at approximately 10 mm on the horizontal scale and 10 mm on the vertical scale. The component is a small, circular piece of metal with a central hole and some internal structure visible.
