**Re: Itronix Corporation  
FCC ID: KBCIX260PROA580BT  
FCC Part 15(C) - Certification  
Request for Confidentiality**

Pursuant to 47 CFR 0.457(d) and 47 CFR 0.459 of the FCC Rules, Itronix Corporation and Cirronet, Inc. hereby requests confidentiality of the Cirronet Block Diagram(s), Cirronet Schematic Diagram(s), Cirronet Parts List and RangeStar Antenna Specifications attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Itronix Corporation and Cirronet, Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Itronix Corporation and Cirronet, Inc. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink that reads "Fred Phillips".

Fred Phillips  
Certification Engineer  
ITRONIX CORPORATION
