Re: Dismissal Request for **FCC ID: 2AEUPBHASG001**; Granted on **11/19/2021 & 12/07/2021**

Dear FCC,

We, **Ring LLC**, hereby declare that the product associated with **FCC ID: 2AEUPBHASG001**, has not been marketed or sold anywhere in the United States nor anywhere in the world with this FCC identifier on it. We decide to update the product design to improve the RF performance. We'll resubmit the application using the same FCC ID at a later date.

There's a limited quantity of devices (<300) used for trials, under the control of RING, that do not include the FCC ID.

Please help us to dismiss this application ASAP.

Thank you and we appreciate your attention and help!

Sincerely,

A handwritten signature in black ink that reads "Slash Chang". The signature is written in a cursive, flowing style.
