Columbia, MD 21046

Dear Mr. Leimer:

We have reviewed the subject application for certification of the Thrane & Thrane A/S, FCC ID: ROJAERO-HSD, submitted by M. Flom Associates, Inc on February 9, 2004. We have also reviewed the request for waiver to FCC Rule Part 1.925 dated January 29, 2004 accompanying the subject certification. We have no objection to the certification of the subject certification or to the waiver, with the following provision. The signal with emission designator 38KFD7W is not to be used for AMS(R)S communications unless it is in compliance with applicable International Civil Aviation Organization Standards and Recommended Practices (SARPS).

If you require any additional information, please contact Mr. Robert Frazier, Spectrum Planning and International Division, at (202) 267-9722.

Sincerely,

A handwritten signature in dark ink, appearing to read "George K. Sakai".
