Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) with various electronic components, including integrated circuits, capacitors, and connectors. The board is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The board has a white connector on the left side and a small white label with the number '6' on the right side.
Antenna View	 A photograph of the internal components of a device, showing the antenna assembly. A red box highlights the BLE Antenna. A red line points from the label 'BLE Antenna' to the highlighted area. The antenna is a small, rectangular component mounted on a green PCB. The device is held open, revealing the internal structure, including the battery compartment and other electronic components.
