Fixed housing
Precautions

1. Headphones will turn on automatically (needless to press any button) pair and connect the device when the charging case is opened. After placing the headphones in the charging case, they will turn off and automatic charging will start when the cover is closed.
2. Charging every 15 days will extend battery life when not in use often. Cleaning off dirt on the charging contacts by cotton swabs with alcohol will maintain a good contact for charging.
3. Keep battery (battery pack) away from inflammables or excessive heat such as direct sunlight.
4. Intermittent is normal during playback for wireless products due to environmental factors, device brand, users' behavior, etc.

Warnings

1. Do not use headphones at high volume for an extended period of time,
2. Keep the headphones away from dust and water,
3. Do not disassemble the headphones and accessories, otherwise warranty will be voided.
4. Keep headphones away from any impact or vibrations.
5. Do not use any chemical solvents or cleaning agent on the headphones,
