

FOXX Development Inc.

Date: 3/11/24

To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD

To Whom It May Concern:

We, **FOXX Development Inc.**, state that our device, **FCC ID: 2AQRM-MF3**, has a battery, but the battery will not be placed in the battery compartment when delivery, the label is visible to the users as they purchase the products and install the battery. The back cover can be moved away, there is not enough space to place FCC ID label in surface of products, so the label has to be placed in battery compartment.

Sincerely,
