Dear Andy:

Submitted on behalf of UTStarcom Inc. is our response to your e-mail dated February 8, 2002 requesting additional information for the subject application.

1. Please note that we submitted a revised SAR test report on December 28, 2001 in response to CRN3262 with re-evaluated SAR data, based on a crest factor of 8, and in accordance with the 0.112 duty factor indicated in the timing plots of the EMC test report. Please see attached revised SAR measurement report.

If you have any further questions regarding the above, please do not hesitate to contact me.

Sincerely,
