- Power spectral density: 6.5 dBm/3kHz

- The device may exceed the OOB limits in §15.247(d) by no more than 6 dB.

4. **Power Source & Deployment:**

The device is battery-powered only and is not intended for permanent or fixed installations.

5. **Sales and Distribution:**

- The device is sold and distributed **exclusively to law enforcement agencies** eligible under **47 CFR §90.20**.
- Sales are limited in accordance with the waiver as follows:
 - Maximum 2,000 units in the first year
 - Maximum 4,000 units per year in the following two years
 - Not to exceed a total of 10,000 units over the 3-year waiver period
- No sales or marketing will occur beyond this quota or after the waiver expires.

6. **Military Coordination:**

We acknowledge our obligation to notify the Department of the Air Force at thu.luu@us.af.mil before any use of the device within 40 km of:

- Patrick Space Force Base, FL
- Vandenberg Space Force Base, CA

7. **Waiver Validity:**

This waiver is valid for **three (3) years from December 5, 2024**, and expires automatically at the end of that period. Existing devices may continue to operate under the waiver's conditions.
