User Manual Thanks for choosing us! This is a smart phone wireless charger that allows you ergoy the fun of digital products easily. Please kindly read the user manual before using and keep it for future reference. Windows charging. rebottim area Cooling surface

Connect to Power Adapter

Connect the power adapter to socket. if connect adapter to the USBZ 0 interface the other micro USB to the windows sharper.

Standby stote Turn on: LED light Charging: LED light breaths intermittently. FOD: LED light flickers until take foreign objects away.

Notes:

- 1.Do not equesse or critted.
- 2. Do not disagneeable or throw into fire or water to award causing a short circuit leakage.
- 3. Do not use wireless charger in severely hot. Jumid or corresive environments, to avoid circuit damage and scouré leshage phanomenon
- 4. Do not place too close with magnetic stripe or chig card (NO card bank card atc.) to avoid magnetic failure.
- S. Please keep the distance at least 20cm between implantable medical devices(pacemakers, implantable counteer, etc.) and the wireless charges to avoid potential interference with the medical device.
- 8. To take core of the shidten/or ensure that they won't play the windows charger as a toy to avoid unnecessary scodenta
- 7. Please keep lite charger away from water or ofter
- 8. If you need to clean the charger, please make sure tile. not connected power supply.
- Using Environment temperature remains 0-45. Do not represent to collect
- 2. Do not disposemble of these rets fire presents award. The involved images are stable maps and archicle scaped to the
- includes whereas charges charging splits over a minute. 'AC' analysis is excluded phases thay represely or use the mobile phase original adapter 5 need.

Specification

Output: 10W(MAX) Charging Efficiency: 275% Charging Distance: s8mm Frequency 110.1-205KHz

Applicable Devices

- 1. Fast charging Samsung Gatasy Note 5 57/57 Edge. 86 58+/ 58 Plus. Standard charging: Samoung Galaxy
- 56 / 56 Edge+, Nokia 1520, Nexus 6LG, and more. Z. Samsung Devocaswift reservedwireless charging interface (not included) next to battery: Galaxy \$3 / S4 / S5 / Note2 / Note3 / Note4, etc.
- 1. Devices/Android+DS)withQ-enabled charging teceiver or receiver case (not included).

Please note: All devices must conform to Qr standard.

4. phone 6 and above at applicable?

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may

cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for

compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for

uncontrolled environment. This equipment should be installed and operated

with minimum distance 20cm between the radiator & your body.
