

Brand Name: tp-link Model No.: TL-WPA8630

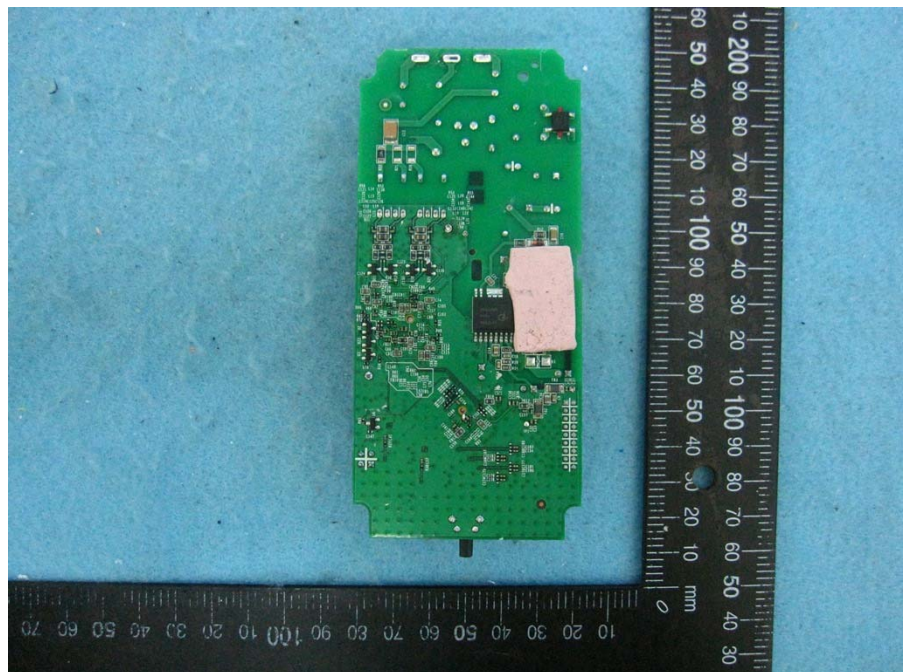

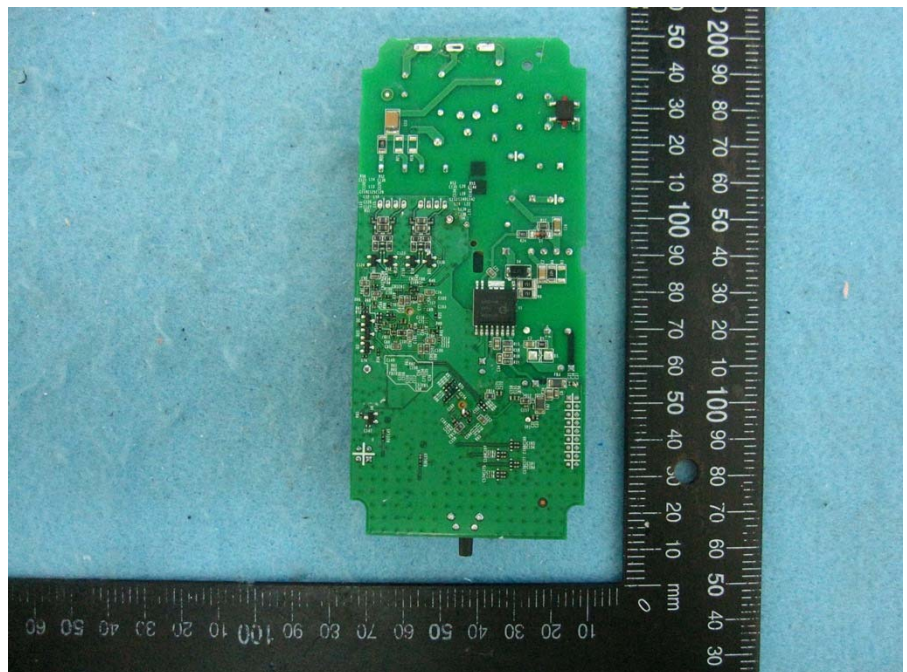

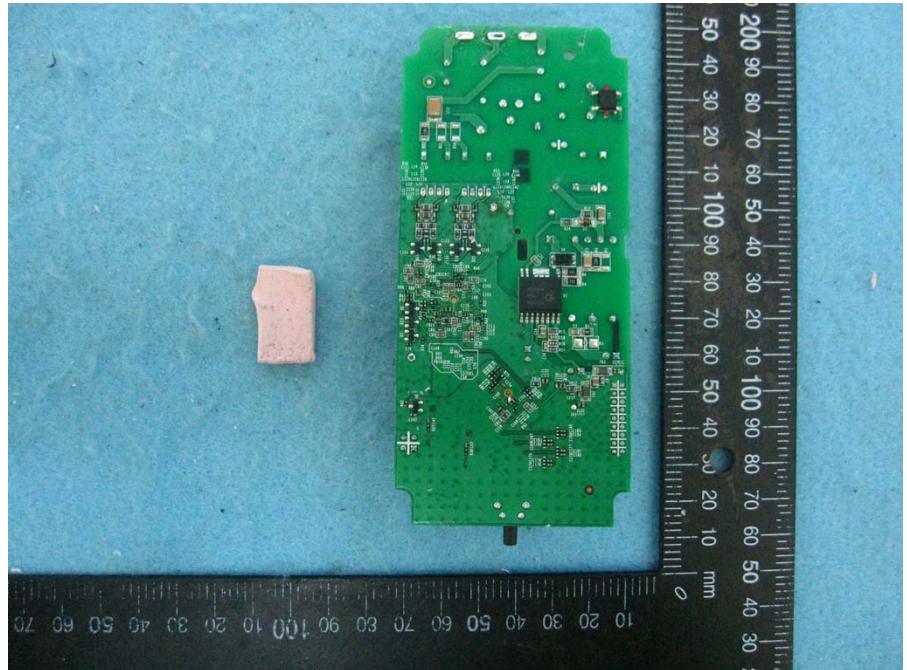

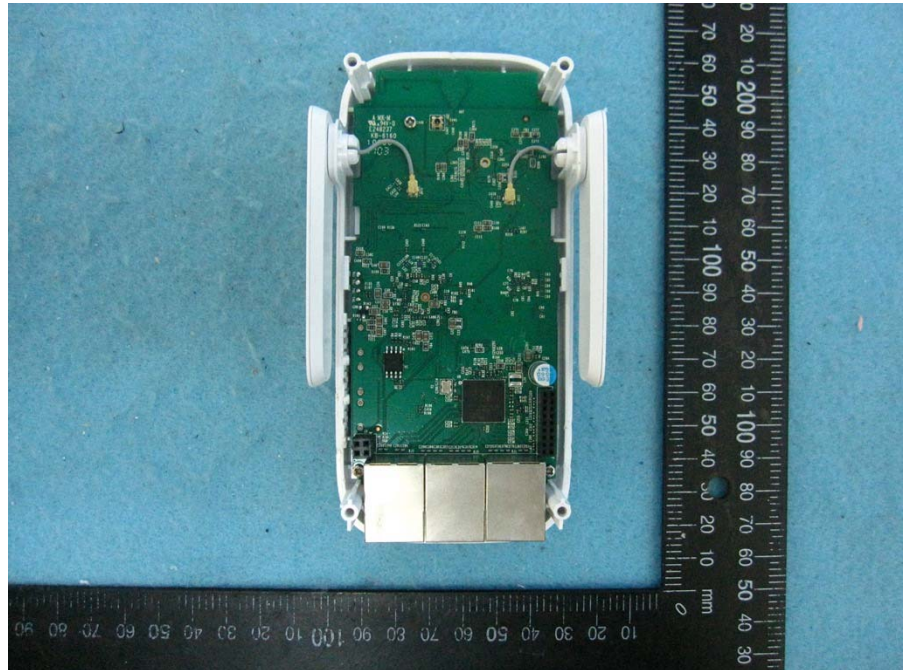

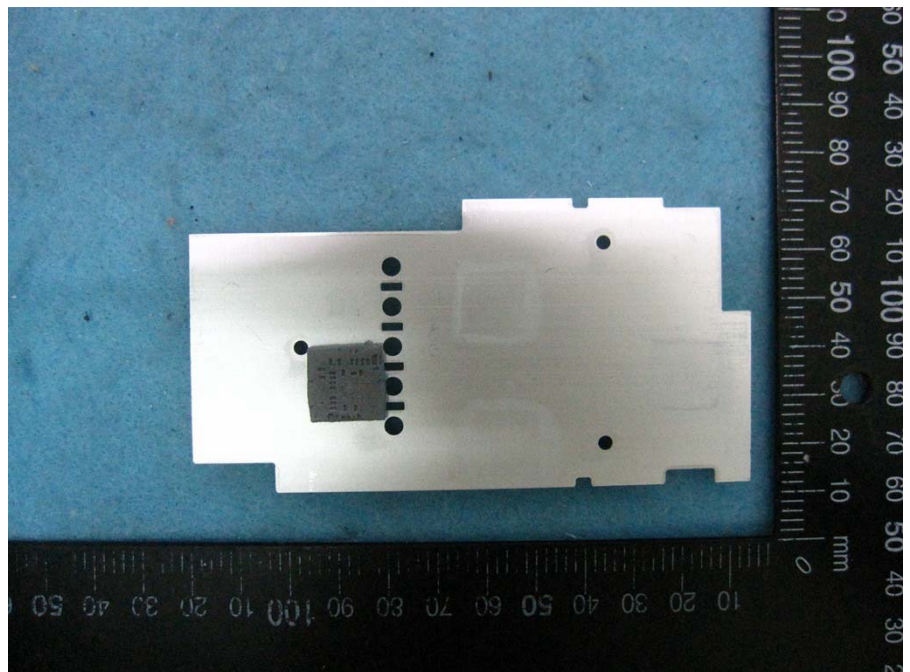

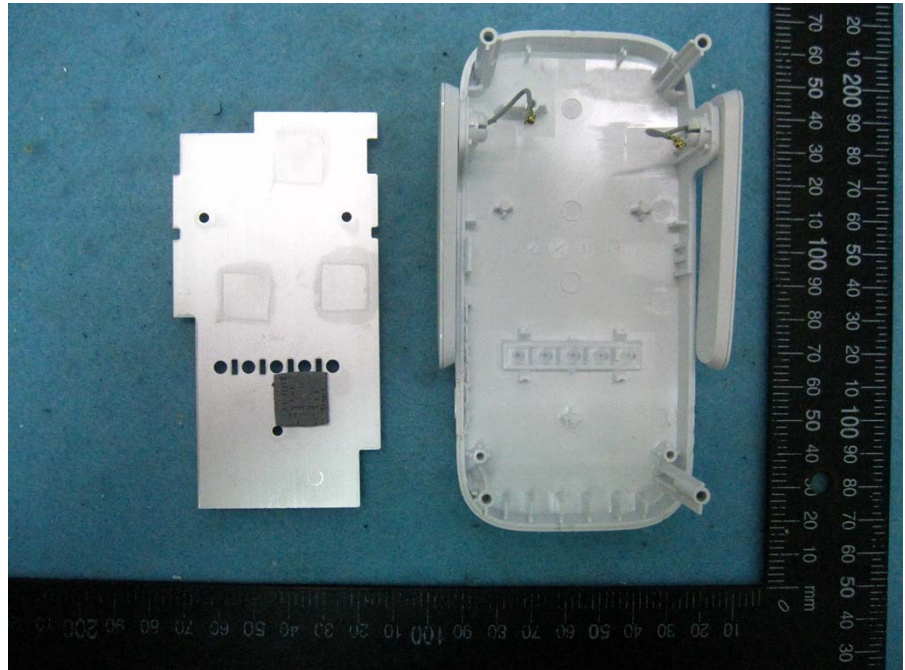

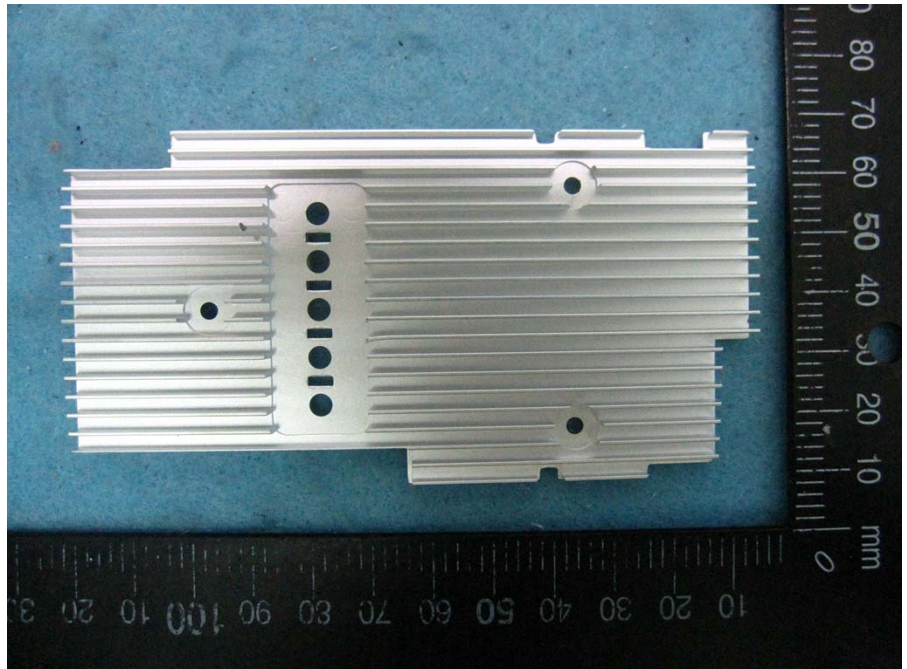

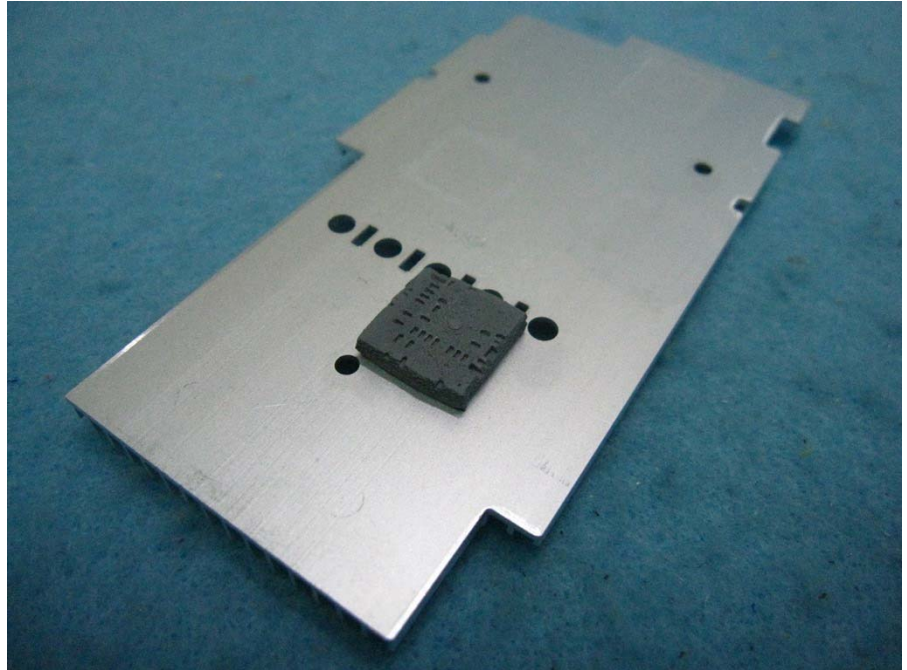

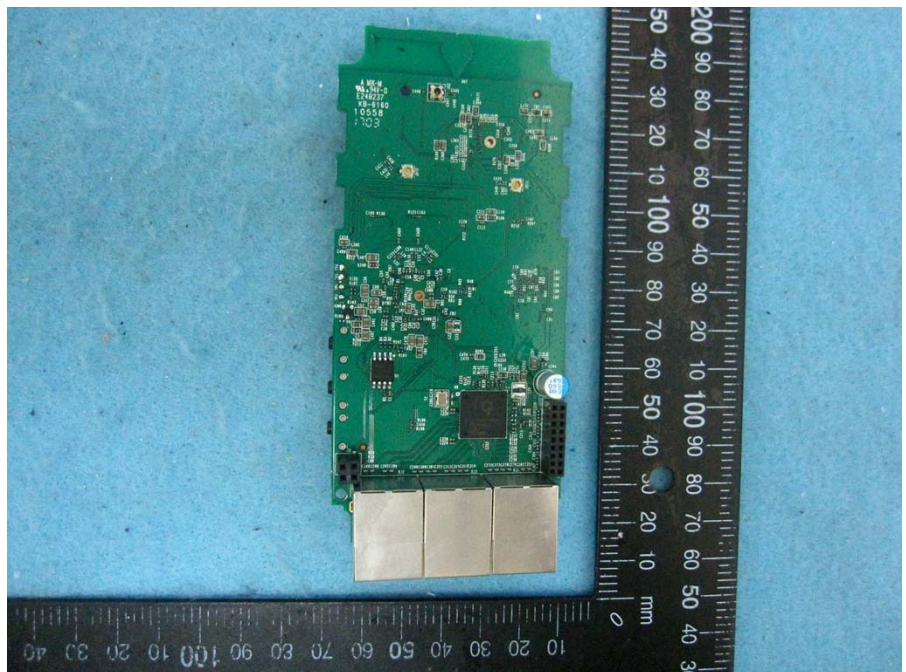

A close-up photograph of a gold-colored SMA (SubMiniature version A) connector. The connector is cylindrical with a central pin and a threaded outer shell. It is attached to a grey braided shielded cable. The background is a blurred white plastic component, possibly part of a medical device, with a circular opening visible. The overall lighting is soft and clinical.

Report No. : EP642705-01
