

Xiamen Hanin Electronic Technology Co., Ltd

Declaration of Product Modifications

Date: Dec. 07, 2022

This is to request a Class II permissive change for FCC ID: 2AUTE-PLP originally granted on 02/18/2022.

The major change filed under this application is:

This changes the battery manufacturer, re-testing conducted emission and radiated emission.

And the changed battery voltage is the same as the original battery(3.7Vdc)

Sincerely,

(Signature)
