Dear FCC, I have inadvertently issued 3 TCB Grants under the login credentials of the wrong TCB and need to have these Dismissed as quickly as possible. I did not realize that I had logged in under UL Verification Services US0104 thinking that I had logged in as HCT America US0189. I have changed the FCC ID numbers so these do not show up under searches. The FCC ID Numbers and TC numbers that need to be Dismissed are as follows:

FCC ID: K44DELETE1, TNB TC586721
FCC ID: K44DELETE2, TNB TC903492
FCC ID: K44DELETE3, TNB TC326349

I will draft a letter and upload to all 3 TC number uploads for reference.

Thank You,

Chris Harvey
