## SAFETY AND MAINTENANCE

### SAFETY GUIDELINES

To achieve maximum safety while using your Wireless Dongle, we suggest that you adopt the following guidelines:

- Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to [support.razer.com](https://support.razer.com) for support.
- Don't take apart the device and don't attempt to operate it under abnormal current loads. Doing so will void your warranty.
- Don't use or place the device near water, moisture, or other wet surfaces.
- Don't use or place the device near any heat, naked flame, or other hot surfaces such as radiators, stoves, fireplaces, and candles.
- The device should only be used with compatible Razer wireless charging-enabled mice. Razer shall not be responsible for any damages incurred to any device when using the Wireless Dongle.
- Keep the device away from liquid, humidity, or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug the device to let the temperature stabilize to an optimal level.
