TYZS3 and TYZS3_IPEX using same PCB while some minor difference in BOM. TYZS3 using printed antenna while TYZS3_IPEX only contains an IPEX connector, in real user case should comply with a FPC antenna (external high-gain antenna used with the I-PEX connector with 3dBi gain. Antenna manufacturer: Dongguan UB Electronic CO., LTD; Antenna model: UB01C55F3D814A).
