IMPORTANT SAFETY INSTRUCTIONS

⚠ CAUTION ⚠
RISK OF ELECTRIC SHOCK
DO NOT OPEN

TO REDUCE THE RISK OF ELECTRICAL SHOCK, DO NOT REMOVE AMPLIFIER PLATE. NO USER SERVICEABLE PARTS INSIDE. WE RECOMMEND TAKING THE UNIT TO A QUALIFIED SERVICE TECHNICIAN FOR ANY REPAIRS.

Read the following safety instructions before operating your home theater system.
• Do not place these speakers on an unstable surface. The speaker may fall over, causing serious injury to a child or adult and serious damage to the unit.
• Do not use these speakers near water or expose them to rain or moisture.
• The speakers should be situated away from heat sources such as radiators, heat registers, stoves, or other devices that produce heat.
• To reduce the risk of electric shock or component damage, unplugged the power before moving your speakers or connecting other components to your device.
• Clean only with a soft dry cloth. Unplug the main unit from the wall outlet before cleaning.

CAUTION: Always use a power outlet that is properly grounded.
