MOTOROLA MOBILITY LLC GLOBAL LIMITED WARRANTY MOBILE PHONES

Motorola Mobility LLC, or its subsidiaries, ("Motorola") warrants to the original consumer purchaser ("you") that the Mobile Phone or Moto Mod accompanying this warranty, and any in-box accessories which accompany it (the "Products"), will be free of substantial defects in material and workmanship for the period noted in the Addendum (see end of section), beginning from the date of original consumer purchase ("Warranty Period") provided that the Products are used for normal consumer purpose.

This warranty only applies to the first purchaser, and begins on the original date of purchase by such first purchaser. This warranty does not apply to products that are resold to a second purchaser (e.g. either as used, refurbished, or otherwise). In the event of a dispute as to whether the phone has been resold, if the date the phone has been first activated precedes the date of purchase by the second purchaser, such phone shall be deemed to have been resold, and this warranty shall not apply.

Note for Moto Mods owners: This warranty covers only the Moto Insta-Share Projector, Hasselblad True Zoom, Moto Power Pack, Moto Style Shell Wireless Charging, Moto TurboPower Pack, Moto 360 Camera, and Moto Smart Speaker with Amazon Alexa, and Polaroid Insta-Share Printer, Moto Gamepad, Moto Stereo Speaker, Moto Power Pack & TV Digital, Moto Style Shell, and Moto 5G Moto Mods. Third-party Moto Mods are not covered by this warranty, but may be covered by a separate warranty that accompanies them.

Repairs made by Motorola or its authorized agent under this Limited Warranty ("Warranty Service") are covered for the balance of the original Warranty Period, or for the period noted in the Addendum, whichever is longer. This Limited Warranty covers only a purchase of new Products from Motorola or an authorized reseller or authorized distributor of Motorola Products which are accompanied in-box by this written Limited Warranty. This Limited Warranty is personal to you and not transferable. No retailer or other third party is authorized to make any representations on behalf of Motorola or to modify this Limited Warranty.

Additional warranty coverage for those Products that contain the ShatterShield™ Display (not all products contain the ShatterShield™

The ShatterShield™ display consists of the internal display panel and embedded lens, which are warranted against shattering and cracking for four (4) years from the original date of consumer purchase. Certain phones may include a protective lens, screen protectors, or other similar external layers, which are not covered by this additional warranty. All other limitations and exclusions contained in this Limited Warranty (see "What is not covered" section), including scratches and other cosmetic damage, intentional damage or abuse, and normal wear and tear, apply to the components of the ShatterShield™ display.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY BY STATE, PROVINCE OR COUNTRY. FOR CONSUMERS WHO ARE COVERED BY CONSUMER PROTECTION LAWS OR REGULATIONS IN THEIR COUNTRY OF PURCHASE OR, IF DIFFERENT, THEIR COUNTRY OF RESIDENCE, THE BENEFITS CONFERRED BY THIS LIMITED WARRANTY ARE IN ADDITION TO ALL RIGHTS AND REMEDIES CONVEYED BY SUCH CONSUMER PROTECTION LAWS AND REGULATIONS. Repaired or replaced products will be returned to you in their original factory configuration, plus any applicable software updates, which may affect use and/or compatibility with third party applications (for which Motorola shall have no liability). It can rate the performance of the hearing aid for either microphone and/or telecoil coupling. Some hearing aids are more immune than others to this interference noise, and phones also vary in the amount of interference they generate. The US performance rating system for
